

Longevity Mini App Game for Longevity Coin listing on TON network.

COMMENTS

I agree that people need to focus on health more. This app game is a great idea since it is luring in users with their greed but at the same time helping them become healthy.

What was clear:

How many stages were in the game and which ones were in progress.

Details of mini app stages 1 and 2.

BRB products in stage 3.

References to the Hamster Kombat mini app and similar apps also listed.

First come first serve basis

Mini app concept

Education in health related topics and plans using cards details and plans.

Game coins equating to seconds, hours, days, weeks, months, and years of life.

Each screen desired.

Not clear:

What are these current Longevity InTime products.

3D parties, does this mean parties where users gather online at the same time together?
